Election programme

Dinmukhamed Aidaruly Tastanbekov

Respublica candidate for the Almaty city Maslikhat in single-member electoral district No. 18

Business experience for the benefit of the country!

My main goal

To improve residents' quality of life, develop entrepreneurship, improve infrastructure and create comfortable conditions for every citizen.

10 key priorities

01. Developing entrepreneurship

- Support small and medium-sized businesses;
- Expand opportunities to learn the fundamentals of entrepreneurship and obtain funding to start a business.

02. Youth and employment

- Support young people's creative and social projects;
- Support initiatives to create new jobs together with local businesses;
- Develop projects focused on youth employment, vocational training and internships.

03. Affordable housing

- Improve access to housing programmes for young people and young families.

04. Utility infrastructure

- Modernise water supply, heating and sewerage systems;
- Repair ageing utility networks;
- Improve the quality of utility services.

05. Safe courtyards and streets

- Improve street and courtyard lighting;
- Improve road safety.

06. Public spaces and the environment

- Renew parks and public spaces;
- Increase green planting;
- Support projects that promote waste sorting, separate waste collection and recycling.

07. Developing playgrounds and sport

- Renew children's playgrounds;
- Support sport for all;
- Increase the number of playgrounds.

08. Inclusion and a barrier-free environment

- Improve the accessibility of ramps and pavements;
- Adapt public spaces for people with disabilities.

09. Legal assistance and legal literacy

- Organise meetings and events to improve financial literacy;
- Provide free legal consultations.

10. Openness and communication with residents

- Hold regular meetings with residents;
- Develop public oversight;
- Report regularly to residents on the work carried out.

My position

Be closer to people. Raise real issues. Achieve concrete results.

Residents' trust is the core value!

Every resident's concerns have my attention!

Our city's development is our shared goal!
